Ohio State Engineer

Title: Sigma Gamma Epsilon

Issue Date: Jun-1937

Publisher: Ohio State University, College of Engineering

Citation: Ohio State Engineer, vol. 20, no. 7 (June, 1937), 26.

URI: <http://hdl.handle.net/1811/35432>

Appears in Collections: [Ohio State Engineer: Volume 20, no. 7 \(June, 1937\)](#)

SIGMA GAMMA EPSILON

At a recent meeting of the fraternity, Jack Day and Joe Seifert were initiated, following which the regular business meeting was held.

Plans were made to hold the annual picnic along the Scioto River the evening of May 15. Baseball games were to be played prior to the picnic proper, after which their was to be an extensive program of acts presented by the members.

The chapter also planned to hold their quarterly dance the Saturday preceding finals at the pent house of the Fort Hayes Hotel.

President Jack Cashell claims to protect the assertion against any competition, that Sigma Gamma Epsilon has at the present time, the most versatile group of engineers on the campus. In the group are listed activities that range from polo players, football players, boxers, world travelers and singers, up to the smartest student in the engineering college at the present time. There is a list compiled in the chapter's files that would discourage any group on the campus if they could look them over, but they are inviting competition just the same.
